## A Sure Start Children's Centre

### Baby Friendly Places

Have you had a positive experience while out and about with your baby? If so, please let us know so that we can pass on this information to other parents.

Perhaps it is a good place to go for lunch or coffee where there is room for the buggy, somewhere with clean and airy baby changing facilities, where there are convenient lifts and toilets.

Your feedback will be much appreciated.

I would like other parents to know about ...
