

Pre-school Learning Alliance Barleyfields Children's Centre

Charging Protocol

The Pre-school Learning Alliance endeavours to ensure that the services provided by each of its Children's Centres widens participation amongst the particular groups identified in the past as having been excluded from mainstream services. The Pre-school Learning Alliance will support and encourage so that the children of these particular groups benefit from engaging in the Children's Centre Services.

In addition the Pre-school Learning Alliance will endeavour to ensure that all children have access to their children centre services regardless of whether their parents/carers have the ability to pay.
