

Universal county framework for Early Support

Liz Stratton is the County Champion for Early Support.

10 District Early Support Champions will:

- Gather case studies
- Encourage and support practitioners involved in the Early Support process
- Signpost to further information and training

District	Contact	Telephone

Three Rivers	Debbie Watson, AT	01442 453238

10 Children's Centres have been identified, one per district, and they will:

- Link with district champions and champion Early Support
- Hold information about Early Support
- Support the promotion of Early Support training in the district to multi-agency partners
- Link with MAST and provide a conduit for recording Early Support Family Service plans to pass on to be registered alongside CAF

Locations of these children centres may be found on hertsdirect
<http://www.hertschildrenscentres.org.uk/>

Children Centres also provide information updates on Early Support for all front line practitioners.

SENCo Clusters will update PVI settings on Early Support.

Information on Early Support will be fed through SENCO CPD sessions and courses to maintained settings.
