Our Children's Services are rapidly developing and the growth of our Children's Centres for children aged under five years now provides an opportunity for three talented, imaginative and enthusiastic people to join our team.

Working 20 hours per week, you will provide a pivotal support role to ensure that the most vulnerable families are able to access services provided in their local community. Working closely with the Children's Centre Manager, you will be using all of your innovative ideas and knowledge to deliver outreach support and information to families in the Children's Centre community.

For these posts you will need a knowledge and understanding of Children's Centres and support services. You will have excellent customer care skills and will be able to organise and deliver projects across both statutory and voluntary sectors, working jointly with various partners.

You will be articulate, both verbally and in your written communications, be qualified to NVQ Level 3 in Early Years Care and Education, or equivalent, and have relevant working knowledge and skills. A flexible attitude to working hours and the possession of a full driving licence will also be required.
