

KIDS East HUB and KIDS West HUB

The KIDS HUB services are new information and support services for parents and carers of disabled children and young people across Hertfordshire. The services aim to provide a “one-stop-shop” for parents to help them find the information they need.

How can we help you?

We can offer support via phone, email or face-to-face (including home visits) with matters such as:

- Signposting to local and national services
- Attending educational or social care meetings
- Applying for specialist parking or benefits
- Support with forms and writing letters
- Providing rooms for groups to meet
- Helping you to find solutions
- Supporting you to obtain the services you need!

HUB Room (open 9.30-11.30 Tuesdays at the KIDS East HUB)

A drop-in session in a family-friendly space for parents and carers to meet and have a coffee. HUB staff will be on hand if you want to discuss anything. Children welcome.
