# Leavesden Children's Centre

**A new Children's Centre is being built within Leavesden Green JMI & Nursery School. It officially opens on 4 October 2007. The centre will support families who have babies and children up to the age of 5 years.**

Leavesden Children's Centre will provide children in the areas of Garston, Leavesden, Stanborough and Woodside, with the best possible start in life. The centre will act as a central point for information and services for local families. From OCTOBER 07 it will deliver a range of support from a team of professionals including:

- Early learning and childcare;
- Support for child minders
- Information on parenting, and adult education courses
- Child and family health services
- Antenatal and post natal services
- Links with Jobcentre Plus: information about employment, education and training
- Quick and easy access to a wide range of support services
- Toy library and open play sessions
- Support groups for teenage mums, lone parents, dads etc
- Toddler groups and family learning sessions.
