

Focus on Families

Rickmansworth Children's Centre Parents' Forum

Would you like to have a say about the services we provide for you and your child?

Could you help other families to find out about us?

If you are a parent, carer, grandparent or foster carer who lives in our catchment area we would love to hear your views.

Why not come along to our next meeting?

Children under 5 years are welcome to attend but will remain in your care. The meetings are relaxed and informal.

Call 01923 772094 to find out when the next meeting is planned and to ask any questions you may have.

Refreshments provided
