

Supported Stay & Play

for children & families with additional needs

Wednesdays 10- 11:30am (term time only)

All families where parents/carers feel that they and their pre-school children would benefit from additional support are welcome. This includes children who may exhibit unusual behaviour or have difficulties socialising with other children (kicking, screaming, biting, etc..). Parents/carers can self refer. Children do not need to be statemented or diagnosed as having additional needs before attending.

A free session giving young children (birth to 4 years) and their families an opportunity to enjoy:

- *music
- * messy play
- * sensory toys
- *specialist toys (age and ability appropriate)
- *develop early social skills
- *Parents can seek support and information and socialise with other parents

Bookings and referrals can be made by contacting the Children's Centre. If you have any queries, please speak to Pippa West, Children's Centre Manager:
